

CANAL PERMIT APPLICATION

Section III Read Thoroughly Before Signing - Applicant Affirmation/Certification

Canal property is devoted to public use. Permits, therefore, are by sufferance and the duration thereof is at the discretion of the Canal Corporation (Corporation), regardless of the length of term granted. All permits are, therefore, revocable unilaterally by the Corporation. The permittee will maintain all installations permitted hereunder subject to the risk of relocating or removing them at the permittee's own expense, in accordance with the directions of the Corporation. Violators may be subject to a penalty.

Application is hereby made by the undersigned subject to the RULES AND REGULATIONS OF THE NEW YORK STATE CANAL CORPORATION. This applicant will obtain any other consents or permits that may be necessary to accomplish the purposes set forth above, as it is understood that in granting a permit, the Corporation merely expresses its assent in so far as it is authorized. A charge of \$250 per day shall be imposed for any approved work on the Canal System requiring an on site inspection by Corporation staff.

I understand that this Application incorporates by reference the terms and conditions of the NEW YORK STATE CANAL CORPORATION OCCUPANCY AND WORK PERMIT ACCOMMODATION GUIDELINES (TAP-922), and the DESIGN AND CONSTRUCTION REQUIREMENTS (TAP-923A-D), as such documents may be amended. I agree that if granted a permit, this Application becomes a part of such permit, and as a condition of the issuance of the permit and/or exercise of any privileges granted thereunder, I shall comply with any and all RULES AND REGULATIONS OF THE NEW YORK STATE CANAL CORPORATION, as same may be amended, and any CONDITION RIDER issued with the permit and any subsequent amendments to the permit.

The Applicant affirms and certifies that all information provided by the Applicant to the Corporation is complete, true and accurate.
